To Whom It May Concern:

This letter is written to inform you of an up-coming event that we are sure that you would like to be a part of. The Columbian Squires Circle 2040, in Keller, Texas, is proud to announce that they are the honored host for the 2009 State Convention. The Convention will occur during the weekend of June 26, 27, and 28, 2009.

The Columbian Squires are the official youth group of the Knights of Columbus, and it is the aim of the Columbian Squires to develop tomorrow's leaders today. This convention will bring together Squires from all over the state of Texas to support the sharing of practices and ideas from one Circle to another, reporting on accomplishments within their respective communities, and for the election of State Officers. We are expecting around 150 – 200 visitors into our community as part of this event. The main location for the convention will be at St. Elizabeth Ann Seton Catholic Church in Keller, Texas, and we both hope and encourage our visitors to take time to tour our community while they are here.

The Columbian Squires are a non-profit organization whose operating funds are comprised of membership dues and fundraising activities, with the vast majority coming from fundraising efforts. The main purpose of this letter is in the hope that you will take part in the support of our State Convention through a nominal donation or in the form of an Advertisement in our State Convention booklet, which will contain the agenda, letters from various dignitaries, information about our community, and these advertisements.
